In reply to my reference cited first, seeking approval of the scheme under Nurseries for Green Manure, I have been informed in the Government Memorandam cited second, that the scheme cannot be approved straightaway and that quarterly programmes with detailed estimates should be drawn up and submitted to Government for financial sanction.

2. In this connection, I submit that no detailed estimate can be submitted in this case as in the case of Irrigation and Communications etc. Unless the proposal is approved, the scheme cannot be put into operation. I therefore request early approval of the scheme. The expenditure for 1952-53 was also reported.

The scheme under Village Arts, Crafts, Production Cum Training Centres including Inland and Deep-sea fishing was explained and approval of the Government sought, in this office reference cited first. But in the Government Memorandam cited second, I have been informed in general terms that the scheme cannot be approved straightaway and that quarterly programmes with detailed estimates should be drawn up and submitted to Government for sanction.

2. In this connection, I invite reference to my report cited first. The scheme as stated therein contemplates various activities and unless the Government approve of it, it will not be possible to implement the same. I therefore request that the scheme may be approved at an early date.

3. As regards submission of quarterly programmes with detailed estimates, I submit that it is not possible to submit detailed estimates in the case of schemes like village Arts and Crafts etc. as in the case of Irrigation and Communications. Under Fisheries, the action proposed to be taken in 1952-53 was reported. Unless the scheme is approved in general, it is not possible to take further action.

The scheme under Animal Husbandry was submitted to Government for approval with this office reference cited first. But in the Government Memorandam cited second, I have been informed that it cannot be done and I have been asked to draw up quarterly programme with detailed estimates and submit it to Government for approval after getting the same approved by the Project Advisory Committee.

2. In this connection, I submit that it is not possible to submit quarterly programmes with detailed estimates in the case of items like Animal Husbandry etc. Such a course would be possible only in the case of schemes ~~under~~ like Irrigation and Communications. What was applied for, was the approval of the scheme by the Government. This is quite different from the programme for each quarter which can be sent only after the general scheme is approved. Unless the Government approve of the scheme, it will not be possible to start work. I therefore, request that the scheme may be approved and orders communicated at an early date. The work proposed to be done in 1952-53 also was already furnished. The scheme may be approved.

Ref: Government Memo. No. 7004 Public (C.P.II)/52-1 dated 12-12-52.

****

The Government in their Memorandam cited, ordered that the schemes as in the budget estimates prepared by me cannot be approved straightaway and that the quarterly programmes of works with detailed estimates should be placed before the Project Advisory Committee and then submitted to Government for technical scrutiny and for according financial sanction. In this connection, I submit that in the case of schemes under Education, Fisheries, Green Manure, Reclamation of waste lands, Veterinary, Public Health and Medical Aid and Education (Social and General) no detailed estimates can be prepared as in the case of road or irrigation works. For instance, under the scheme on Adult Education, it is proposed to open 200 Adult Schools. The scheme was approved by the Project Advisory Committee at its meeting held on 31-10-52. The scheme was explained in detail in my report accompanying the budget estimates under education. It provides for the payment of Rs. 57,600/- as salary to 200 teachers at the rate of Rs. 16/- per month for a period of 1½ years and supply of 400 lanterns at a cost of Rs. 2,000/- The programme of work for 1952 - 53 as approved by the Project Advisory Committee consists of opening 50 adult schools in Block I. This detailed scheme was submitted to Government for favour of according approval. In regard to such cases Government orders are necessary for giving effect to the programme.

2. Unless the schemes in general under Education, Arts Crafts and Fisheries, Green Manure, Reclamation of waste lands, Veterinary, Public Health and Medical Aid and Education both General and Social are approved, the work cannot be started. I solicit instructions.

2. The C.P.A. has emphasised in their letter No.CPA/87/52, dated 24-9-52 that the Project Advisory Committees concerned should be consulted about the actual programme of work proposed and their views should be taken into account when preparing the final programme for the project.

It appears that the P.E.O., Mangalore, has consulted the Project Advisory Committee and taken their views. He may however be informed that detailed estimates for works to be undertaken (each quarter) should be sent to the Govt. for technical scrutiny and financial sanction. Subject to orders, a draft memo is subtd. for approval.

Dy. P.E.G. has mentioned this in another connection.
